

THE END

Daily Devotions and Small Group Discussion Questions | Week 2

This Week's Memory Verse

..to keep in your pocket, memorize, and hide in your heart:

...that you should remember the predictions of the holy prophets
and the commandment of the Lord and Savior through your apostles...

- 2 Peter 3:2

Week 2 | Small Group Discussion Questions

The following small group discussion questions are based on North Way's weekly teaching within the series, "The End." If you or your small group didn't have a chance to watch the sermon, visit www.northway.org or North Way's app to access the message and watch prior to or during your small group gathering.

Spend a few minutes reviewing the primary points from this week's teaching. What stood out to you the most? Were there things you didn't understand? What challenged you personally?

Read through 2 Peter 3:1-10, 13. Discuss what you see and hear.

What is one bit of truth about the end times that you've learned from this series that is surprising to you?

Why is knowing God's truth from the Scriptures so valuable? How does it affect our lives on a day-to-day basis?

Why do you think Peter spends three verses discussing what truths scoffers are deliberately overlooking, and what do you think could be important about that? What ways can we live as a body of believers to minimize the influence of scoffers that will come? How can we encourage future generations to do the same?

As we see in 2 Peter 3:9, we are living in a time of redemptive history in which the Lord is patient so that more will come to know him. Do you share his desire for all to reach repentance? In what ways yes, and in what ways no?

What excites you most about the idea that there is a new heaven and a new earth coming?

As a group, how can you put your faith in action together in response to this week's message?
