Getting into Heaven: Relationship vs. Religion

God desires a relationship with us

Religion defined as

- the belief in and worship of a super human controlling power, especially a personal God or gods.
- a particular system of faith and worship

Religion can challenge our faith

If anyone thinks he is religious and does not bridle his tongue but deceives his heart, this person's religion is worthless. (James 1:26, ESV)

Religion that is pure and undefiled before God, the Father, is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world. (James 1:27, ESV)

Religion is an outward expression (Worship) of what we believe (Faith)

For it is God who works in you both to will and to work for His good pleasure. (Philippians 2:13, ESV)
