"Science is powerless to answer the questions:
Why did the universe come into being?
What is the meaning of the universe?
What happens after we die?"
- Francis Collins, The Language of God

What do we have in Genesis?

Genesis 1:1 - God calls the universe into existence by power of his word.

Genesis 12:1 - God calls special people into existence by power of his word.

1. God is creator, not a part of it.
2. God has a special relationship with humanity.
3. God entrusts humans with tasks as his agents.
4. God's creation is very good.

Four Questions: Week 4

Pastor Doug Melder & Dr. Temper Longman III

October 25 & 26, 2014

"The Biblical account presents one God, who alone is God, who created the world." - Tremper Longman III, How to Read Genesis

"It's humbling for me, and awe-inspiring, to realize that we have caught the first glimpse of our own instruction book, previously known only to God." - Francis Collins @ Human Genome Project Completion

"Belief in God can be an entirely rational choice... the principles of faith are, in fact, complementary with the principles of science." - Francis Collins, The Language of God

Almighty and everlasting God, You made the universe with all its marvelous order, its atoms, worlds, and galaxies, and the infinite complexity of living creatures: Grant that, as we probe the mysteries of Your creation, we may come to know You more truly, and more surely fulfill our role in Your eternal purpose; in the name of Jesus Christ our Lord. Amen.
