

**Today's Message: "God's Redemptive Plan"**

The mission of God is global.

The mission of God is local.

The mission of God reconciles people to God and to one another.

*Philemon 1-23 ESV*

The mission of God is transformational.

"There is no atom or constellation which is beyond the concern and love of the triune God and of his mission of re-creation and regeneration. His passion is human life in every facet."

– Nancy Bedford, *The Local Church, Agent of Transformation*

The mission of God orients our lives in an epic adventure.

*Religion that is pure and undefiled before God, the Father, is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world. (James 1:27 ESV)*

**Small Group or Personal Reflection Questions:**

1. How has God called you, both individually and corporately as a small group, to make an impact locally and globally?
2. North Way East End is located in a diverse urban environment. How can our local church creatively and effectively reach people living in this part of Pittsburgh with the Good News of the gospel of Jesus Christ?
3. If you are a follower of Jesus Christ, describe how you were first reconciled to God. Give an example from your own life of how being reconciled to God has caused you to reconcile with other people?
4. The gospel of Jesus Christ has the power to transform lives. How has God transformed your life? What is the greatest example of a transformed life that you have ever seen?
5. Would you describe your life as “living in an epic adventure?” How might that concept impact the way that you view your purpose in life?
