

Today's Message: "Choosing a Posture"

We ask you, brothers, to respect those who labor among you and are over you in the Lord and admonish you, and to esteem them very highly in love because of their work. Be at peace among yourselves. And we urge you, brothers, admonish the idle, encourage the fainthearted, help the weak, be patient with them all. See that no one repays anyone evil for evil, but always seek to do good to one another and to everyone. Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you. (1 Thessalonians 5:12-18, ESV)

Small Group or Personal Reflection Questions:

1. Read the entire passage of 1 Thess. 5:12-18. What is the connection between Choosing Turbulence and verses 16-18, meaning what are you choosing instead of turbulence?
2. Read the associated Scriptures underneath each of the 3 teaching points from the sermon. Using all of them together, answer the following:
 - A. What is a Biblical definition of worship, including it's different aspects?
 - B. What does it mean to be joyful always?
 - C. What does it mean to pray continually?
 - D. What does it mean to give thanks?
3. What are the most common barriers to joy, prayer and thankfulness in your life? Is there anything you read in the Scriptures above or anything that comes to mind that could help you overcome that barrier?
4. Of the three - joy, prayer, thankfulness - which is the greatest struggle for you? Ask the members of your group or someone who is discipling you how you can grow in that area? What have they learned that has helped? Can they point you to any models in the Scriptures?
