

Today's Message: "Age Old: Part 3"

The Story of David and Goliath:

It's more about how they thought than it is about how they fought.

It's a fight between Pride and Humility, Faith and Fear, Trust and Doubt

Pride: Self-centeredness

Humility: God-centeredness

Philistine: "To wallow in the dust" or "To Wallow in self"

Goliath: "To uncover, expose, and/or reveal"

Proverbs 16:18 - *Pride goes before destruction, and a haughty spirit before a fall.*

Proverbs 29:23 – *Pride brings a person low, but the lowly in spirit gain honor.*
